Dred Scott and Oscar Charleston Night at the Ballpark Fundraiser

Join us at Busch Stadium for a great celebration of:

Dred Scott (Courageous Freedom Fighter)

Oscar Charleston (Negro League Superstar)

During the week of Juneteenth 2026 and our Foundation's 20th Anniversary
On Tuesday, June 16th at 6:45 p.m. at 700 Clark Avenue. St. Louis, MO 63102

We are asking your support in this exciting celebration as we cheer for our heroes and cheer our Cardinals on to victory against the San Diego Padres. This is a fundraiser and an historical moment, combining our histories on what happens to also be Teacher's Night at the ballpark.

Section 132/133 tickets are discounted at \$25.00 and can be purchased online at www.dredscottlives.org or by scanning the QR code.

Paid attendees will receive a framable souvenir ticket and an Anniversary rally towel at the game. There will be even more fun in the section if you are among the first 300 to purchase your tickets.

A Meet the Author Moment will happen with Jeremy Beer, author of "Oscar Charleston" the 500 page book on all things Oscar and "Back When We Were Colored" author, Virgal Woolfolk (with Sally Rains). His memoirs of his family helping house players during segregation.

Tickets are on sale now. Please help spread the word by sharing this flier, share to Facebook, Instagram and X (formerly Twitter). Invite groups, families and organizations.

Let's make sure our heroes are well represented!

(Some are buying a block of tickets (your choice of how many) and selling or giving them away.)

Help us sell 500 tickets or more for a special recognition for the Foundation on the field.**

You will receive an email with your ticket by June 9th to be presented at the ballpark.

Your presence will help lift up these historical individuals and moments in our American History and we are, as always, most grateful and look forward to seeing you there!
